MISSION STATEMENT and STATEMENT OF FAITH

WWLAW assists mission hospital and clinics. To help us determine if your request meets this criteria, you must submit your Mission Statement and Statement of Faith.

I will submit my Mission Statement and Statement of Faith via:

REQUIRED – Please indicate one: Email Fax Surface mail See website

1. TESTING

- a. What laboratory tests do you presently do?
- b. What method do you use for each?
- c. What is the average number of each test that you do per year?
- d. What tests would you like to add? Why?

2. PERSONNEL

- a. Who does the lab testing?
- b. How are they trained?

3. EQUIPMENT

- a. What equipment (microscope, centrifuge, chemistry analyzer, etc.) do you have? Please give the make, model, serial #, and note if each is working.

4. REAGENTS AND SUPPLIES

- a. How do you get your reagents and supplies?
- b. What problems, if any, do you have in getting them?
- c. How frequently does your mission have travelers from the US who could carry supplies as checked baggage?

5. GENERAL

- a. What is your greatest laboratory need right now?
(If there are several, please prioritize).
- b. What is your source of electricity? What is the range of the voltage? Does your lab experience power outages? How long do they last?
- c. Do you have a working refrigerator with a separate freezer compartment?

Do they maintain constant temperatures?
- d. How is water supplied to your laboratory? Is it reliable?
- e. What is your current annual budget for laboratory equipment and supplies?
- f. What international airport do you use? What additional travel is necessary to reach your location?
